CIVIC

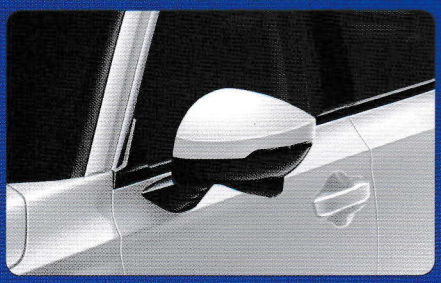
HONDA KAHMOTOR

FEEL THE THRILL

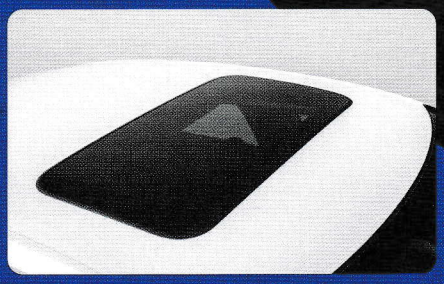
Designed for those who seek performance and exhilaration like no other. The **Civic 1.5 Turbo and 2.0 e:HEV** are built with a streamlined sporty exterior and advanced handling. The 1.5 Turbo offers a feeling of lightness and a generous cabin with wide open views, while the 2.0 e:HEV introduces industry-leading hybrid technology to deliver greater fuel economy that lets you go farther.

LED Daytime Running Lights
Illumination for enhanced safety and visibility. Built-in precision optics provide highly controlled light patterns in all driving conditions.

Rear LED Tail Lights
Sleek curves, aerodynamic sophistication.

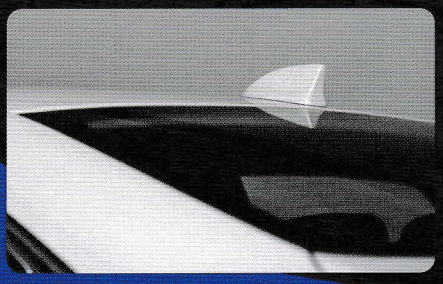


Electrically Retractable Side Mirrors with Integrated LED Side Turn Indicators
Enhanced visibility, safety and convenience.



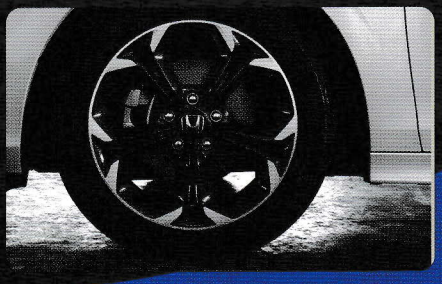
Retractable Sunroof*

Feel the sun's warmth and the cooling breeze through the power sunroof. Open, close or tilt it with a single touch.



Fin Antenna

Stylishly minimalist.



17" Alloy Wheels*

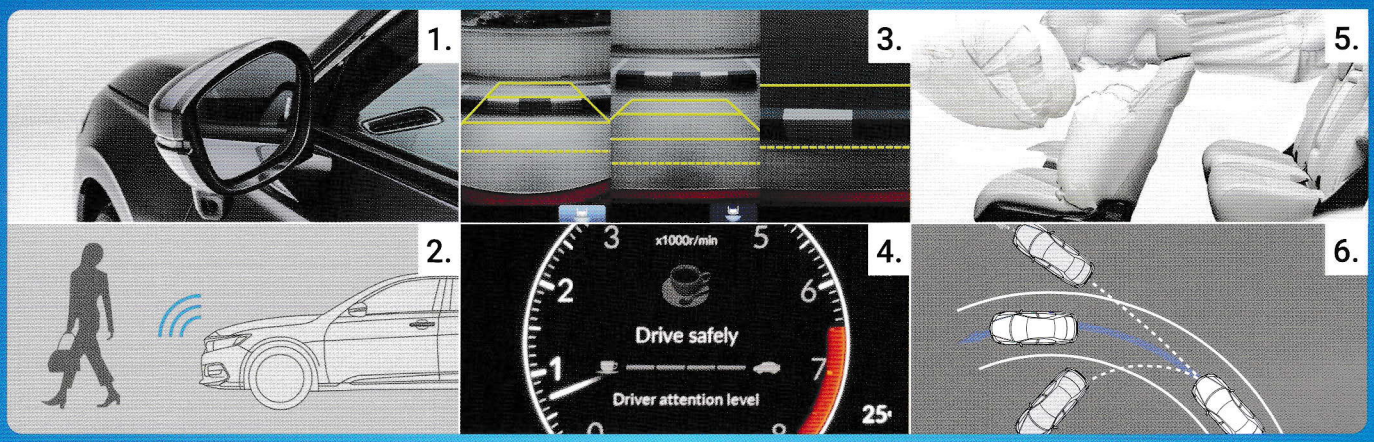
Sporty rims for a robust finish.

*Only available for e:HEV variant.
Specifications are subject to final changes and actual equipment.

ENGINEERED FOR IMPRESSIVE EFFICIENCY

CONFIDENCE IN EVERY CONDITION

From its reinforced frame to its suite of smart driver aids, the Civic surrounds you with peace of mind. It's safety engineered with the same precision as its performance—efficient, intelligent, and reassuring.



1. LaneWatch™ System

The Honda LaneWatch™ system uses live view to enhance blind spot visibility.

2. Walk Away Auto Lock

Get hassle-free security with Walk Away Auto Lock.

3. Multi-View Rear Camera

Dynamic guidelines offer three switchable lighting conditions.

4. Driver Attention Monitor

The Driver Attention Monitor detects and warns when the driver shows signs of inattention.

5. 6 Airbags System

As part of Honda's world-first system, six quick-deploying airbags enhance passenger protection and reduce injuries.

6. Vehicle Stability Assist™ (VSA™)

Regulates engine power and braking to maintain traction on slippery roads, helping the car stay on course during cornering.

POWER MEETS PRECISION

The Civic's advanced powertrain delivers an ideal balance of strength and responsiveness.
Every gear shift, acceleration, and corner feels deliberate—engineered to perform efficiently without compromising excitement.

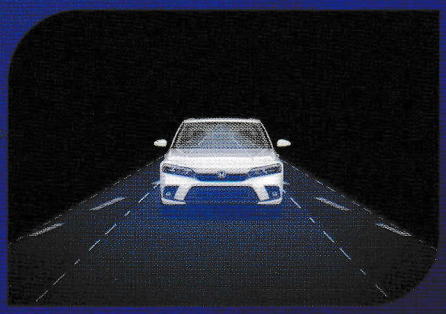
1. **Civic 2.0L e:HEV – 2.0L DOHC i-VTEC Engine**
2. **Civic 1.5L Turbo – 1.5L DOHC VTEC Turbo Engine**
3. **9" Display Audio with Apple CarPlay / Android Auto**
4. **10.2" All-Digital LCD Instrument Display***
5. **Drive Modes (Normal, Sport, ECON, Individual*)**
6. **Remote Engine Start**

*Only available for e:HEV variant.

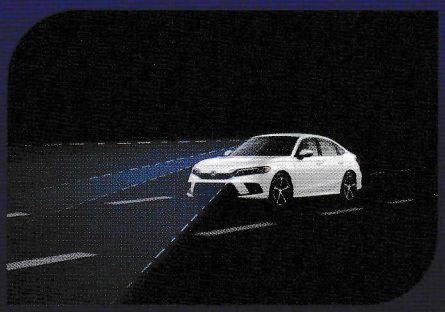
Honda SENSING

Drive the Civic with complete peace of mind. The Honda Sensing suite uses an intelligent system of preventive and reactive technology to protect you without compromise, setting a new benchmark for vehicle safety.

Lead Car Departure Notification System (LCDN)
Alerts the driver if the car ahead moves off and the accelerator isn't pressed.



Adaptive Cruise Control (ACC)
Drive stress-free with Adaptive Cruise Control, keeping a safe distance automatically.



Collision Mitigation Braking System (CMBS)
Detects and alerts you of a potential collision, and slows down to minimise unavoidable impact.

Lane Keeping Assist System (LKAS)
Prevents accidental drifting to keep you centered.

Road Departure Mitigation System (RDM)
Alerts when the vehicle drifts from its lane or leaves the roadway.

Specifications may vary from the model(s) shown.

A NEW LEVEL OF COMFORT

The new Civic is the first of any Honda created around a new design philosophy. Intuitively engineered to refresh your senses, the car features a spacious cabin with less pillar obstruction and wide open views. Sleek minimalist finishes, refreshed ventilation, cushioning support, all thoughtfully crafted around your comfort.

Body Stabilising Seat
Cushioning planar support, a Civic first. Drive long distances without feeling tired.

Wireless Charging
Stay connected as you charge on the go.

Rear Ventilation Outlet
Cool comfort for every passenger.

60/40 Fold-Down Seats
Fold down rear seats to flexibly configure the extra room you need.

Boot Space
Generous boot space for your shopping, luggage and daily haul.

Specifications may vary from the model(s) shown.

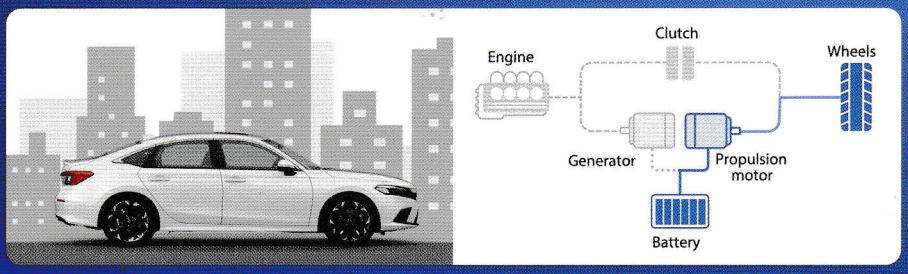
Cool comfort for every passenger.

e:HEV FOR EFFORTLESS EFFICIENCY & PERFORMANCE

The advanced Civic 2.0L e:HEV engine is designed with three interchangeable system modes — Electric, Hybrid and Engine — switching automatically under prevailing driving conditions. Its two motors and engine operate independently for high efficiency while driving in every scene, making every journey effortless and comfortable.

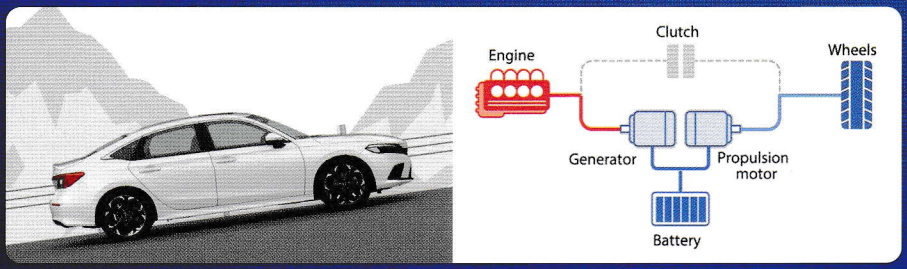
ELECTRIC VEHICLE (EV) DRIVE MODE

The electric motor provides propulsion to the wheels when the vehicle is moving off.



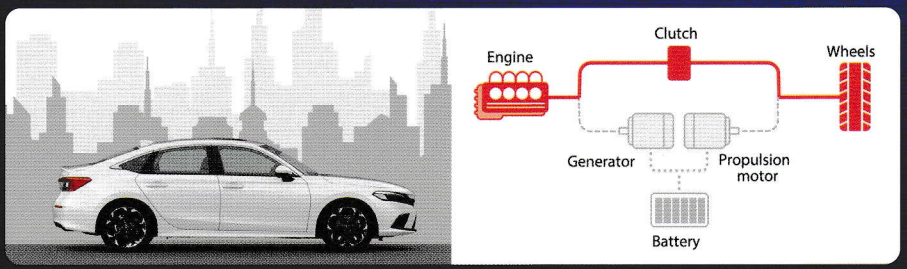
HYBRID DRIVE MODE

The electric motor powers the wheels, while the petrol engine acts as a generator to supply electricity to the motor or recharge the battery.



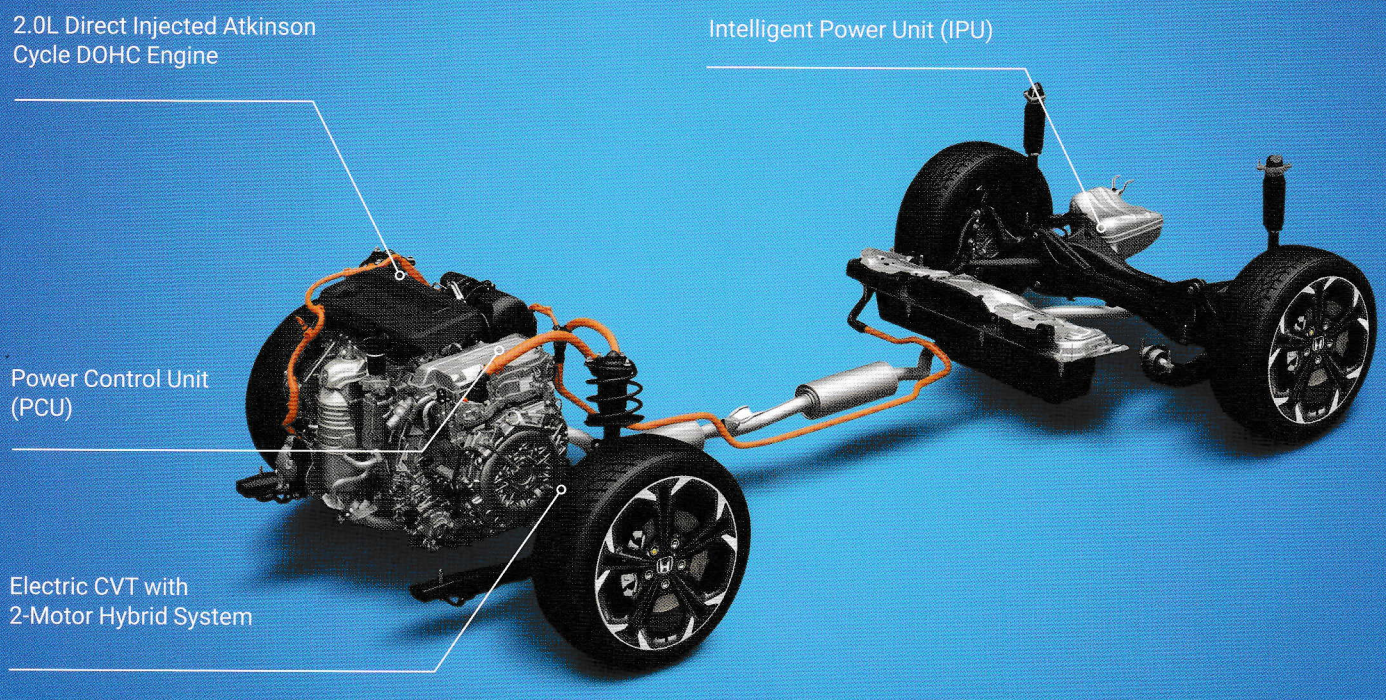
ENGINE DRIVE MODE

The petrol engine drives the wheels, while the high-voltage battery powers the electric motor for added propulsion. Regenerative braking lets the motor recharge the battery.



THRILLING EFFICIENCY

The Civic's 2.0L e:HEV powertrain delivers an exhilarating and efficient drive. Its advanced two-motor self-charging hybrid system provides instant electric torque and seamlessly manages the 2.0L Atkinson engine for responsive performance and exceptional fuel economy without needing to plug in.



2.0L Direct Injected Atkinson Cycle DOHC Engine
Intelligent Power Unit (IPU)
Power Control Unit (PCU)
Electric CVT with 2-Motor Hybrid System
